RE: File #2005-00663

Dear Mr. Belair:

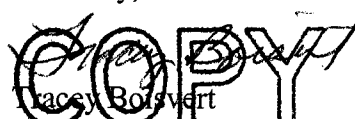

On November 7, 2005 the Department of Environmental Services ("DES") received photos in response to an LOD dated October 12, 2005, requesting the complete removal of a 106 permanent boardwalk from Wetlands jurisdiction on property identified as Town of Tilton Tax Map R-9 as Lot 29 (the "Property").

As a result of the response as received by the Department on November 7, 2005, it was determined that the deficiencies described in the Letter of Deficiency have been corrected. DES will close its enforcement file regarding the Property at this time. DES reserves the right to reopen this matter should additional information be received regarding additional violations on the Property.

Please be advised that further work in wetlands, waters of the state, the upland tidal buffer zone, the bank, flat, sand dune, or other areas of jurisdiction of the Department requires a posted, approved permit prior to carrying out such work.

Thank you for your assistance to bring this matter to a resolution. Should you have any questions, please contact the Wetlands Bureau at (603) 271-2147.

Sincerely,

Tracy Bolsovert
